- Information on competitive recruitment examinations, mobility and contractual job opportunities.
- A website for CNRS units to facilitate recruitment and publish contractual job offers.

One site for all candidates, from the public or private sectors.

Online visibility for CNRS units' job offers

A single search engine for candidates

The screenshot shows the CNRS employment website interface. Numbered annotations highlight key features: 1. 'Faites connaître cette offre !' (Share this offer) with social media links. 2. 'Espace Recruteur' (Recruiter space). 3. 'Dernières offres en CDD' (Latest fixed-term offers) with a list of job openings. 4. 'Aide', 'Plan du site', 'Nous contacter', 'Mentions Légales' (Footer links). 5. 'Recherche avancée' (Advanced search). 6. 'Recherchez nos offres d'emploi' (Search for our job offers) with filters for job type, geographic zone, and keywords. 7. 'URL Courte : http://bit.ly/MKUexi' (Short URL). 8. 'Actualités de l'emploi' (Employment news) with a section on recruitment for engineers, technicians, and administrative staff.

Units

Candidates

- 1 **Secure recruitment process**
